The Most Fearful and Fruitful Words in the Bible (Galatians 6:17) There is the story of a French frontier trader that once persuaded some Missouri Indians to exchange fur for gunpowder making them believe that they could obtain even more by planting a crop of gunpowder. The Indians prepared a field, planted the gun powder, set a guard to watch it. When nothing came up, they knew they had been deceived. Some time later a partner to the first trader arrived at the tribe with a large stock of goods in order to trade. The Indians just took whatever they wanted w/o payment. The trader sought the chief for payment. He assured him that he would be reimbursed as soon as the harvest of gunpowder came in. Well don't let the gunpowder T. Refuse the Deception concerning the Principle  
Be not deceived! Right off the bat Paul warns of deception in this matter. Many are deceived when it comes to something like A. A Perpetrates Deception - (7a)  
Notice the word deceived it is a word that means to lead astray, to be led off course or to be affected by someones outside influence and led in a wrong direction. This was the problem in Galatia, The Jews came in and were leading them in the wrong direction.

this word is often associated with those that were false teachers that lead people from liberty to bondage. They were teaching a fleshly subjects to

B. A Persistent Deception - (7a) The language suggests by its stern command and strong prohibition that this was going on already. They like those Indians had been deceived. Maybe they were being told that the whole law of seeing and keeping just doesn't work. And they had already been convinced by a lack of preaching that it didn't work. May be that is you. You have looked behind your row and saw nothing coming up one went

II. Renounce the Deception concerning the Person. The next phrase in our verse is the most chilling "God is not mocked"; if the deception is in them God is derided!

A. The Subject of Derision - (7b) The word "mocked" means to turn up one's nose at someone, as if mocking or laughing at a person. It is as if someone is saying "Come on, surely you don't believe that whole seeing & keeping thing. How dumb can you be?" When we go about seeing to the flesh and country on it not to come up sin, we are mocking, laughing at God. Such a fearful and dangerous position!

B. The Source of Derision - (7b) Where does this mockery come from? It starts

1) ...harvest fool you. The Bible promises that one way or another you reap what you sow. I believe that these words are some of the most fearful in the word of God for this temporal world. The most fearful words in eternity are Matthew 7:23 ...I never knew you: depart from me, ye that work iniquity. But for now in this temporal world the principal of sowing and reaping can be a very fearful one. It's taught in several places. Job 4:8 Even as I have seen, they that plow iniquity, and sow wickedness, reap the same. Proverbs 11:18 The wicked worketh a deceitful work: but to him that soweth righteousness shall be a sure reward. Ecclesiastes 11:1 Cast thy bread upon the waters: for thou shalt find it after many days. Luke 6:38 Give, and it shall be given unto you; good measure, pressed down, and shaken together, and running over, shall men give into your bosom. For with the same measure that ye mete withal it shall be measured to you again. But these fearful words can be turned to fruitful words as well. Every one of us can turn this fearful verse into a Fruitful verse by following the four instructions gleaned out of Galatians 6:7.

- 2) ...subjection to the law would reap a spiritual harvest! Has the world and Satan Deceived you concerning sowing and reaping?
- 3) ...went right along your may way thinking I'll not reap the sin that I'm sowing. Deceived! Refuse the Deception.

entitled to do so... Right reasoning should not be lost. Overall... [I]...to reason through what sort of seed you are laying down now...  
and... often... the good and healthy fruit will come from just  
what you sow... [E]C: *variflora* are typically mid-size fruits of round  
and smooth skin, with a dark red/purple color and a single seed.

- 1) ...you don't always reap what you sow! Renounce such derision and mockery of God! Let god be true and every man and every experience be a liar!
- 2) ...to reason through what sort of seed we are sowing.
- 3) ...This real not only applies to sin and finances, but as one authors says "to love, to work, to time, to patience, to kindness, to forgiveness, to bitterness, to selfishness." What ever seed you lay down in life it will return. I would do some hefty thinking about what I am sowing right now.

with a deceiver who comes along and tells you, surely you don't believe that. Then we experiment. Sow a little sin and look around for something bad to happen. Or sow a little giving in hopes that God will bring us a bumper crop of blessing and it does not happen. Then he turns up his nose at the law and says what the use? You don't always reap! (1)

### III. Reasons for Distribution concerning the Parable

We are always sowing. We may be sowing bad seed or good seed, but we are always sowing. So naturally it is important to reason this.

#### A. The Distributions Assortment (7C)

The word sownth refer to the sowing of any kind of seed. This verse is the rule of sowing and reaping not the encouragement that it is immaterial what seed you sow, just what ever you sow, you reap. Read of a <sup>named Bottomly</sup> notorious criminal that was caught and put in prison. He was recognized by another inmate while he was sowing mailbags. "What Bottomly" he said, "sowing?" No said Bottomly "reaping." This rule

#### B. The Distributions Amount -(7D)

Also we are amount attached to this principal. The "th" on the end of soweth indicates on going actions. It is not just a one time thing. Whatever a man sows and reaps and reaps on sowing habitually sowing and sowing and sowing. It

describes a constant steady perpetual sowing  
The promise is if you are steadily and consistently  
sowing you are guaranteed a harvest. The amount varies

#### IV. Recall the Destiny concerning the Product

"that shall he also reap." It is a  
banning statement to sowers of flesh, it is  
a helpful statement to the sowers of the Spirit.  
**A. A Matching Product** - (7:18) This can not  
be over emphasized. What goes up must  
come down, what is sown will be reaped.  
The quantity you sow the quantity you  
reap. Sow little reap little, sow great reap  
great. (What is your harvest shaping up like?)

**B. A Multiple Destiny** - see perpetual  
sow and sow and sow as a habit, what  
about reap? Some fence and reap and  
reap and reap habitually as a manner of life.  
Also clue never put a seed in the ground where  
I get one seed back at harvest. It was always

**C. A Mature Destiny** - The reason so  
many don't regard the principle of  
sowing and reaping is because they never  
really put it to the test. They sowed one  
seed, waited a while and said it didn't work  
Not us. ③ Due season harvest times tonight

**V. Close** - These words in vs 7 could be  
frightening words. You can cut the harvest  
of the flesh decisively tonight. Stop! These  
could become fruitful words. God helps us to  
choose what we have been sowing.

- 1) ...the amount is critical. If I plant a small seed of Okra in a field of corn, okra is not going to overtake the field come harvest. This is a comforting admonition to us today. Maybe you have been deceived and have been mocking God sowing to the flesh. You can stop right now and affect the harvest of the future! Or if you have been sowing to the Spirit, obedient to God, don't stop now there is a guaranteed harvest on the horizon!
- 2) It was always a multiplied harvest. Not just one for one. But ten thousand times over. Children, the rebellion that is being sown in your life toward your parents, will reap you a flood tied of life ruining rebellion. Moms and Dad's that angry spirit and hurtful attitude toward you mate and children will reap you a thousand fold in return.
- 3) ...it takes time for a harvest to mature. Don't grow weary, don't faint! Satan will whisper, "You are out in this hot field and you have not seen not even the slightest leaf come out of the ground, just let up, relax a little, don't put so much in to this labor!" Take hear, brother and sister, there is a harvest! Don't stop. Don't quit! Maxcy Filer of Compton, California is a firm believer in the adage, "If at first you don't succeed, try, try again." Mr. Filer began taking the California Bar Exam in the mid 1960s. He didn't pass it the first time or the second time. In fact, he didn't pass the exam until his forty-eighth try. Before earning a passing grade, he failed forty-seven times over a span of twenty-five years. Sometimes the tests of life seem "unpassable," but "Let us not lose heart in doing good, for in due time we shall reap if we do not grow weary" (Gal. 6:9).
